DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 1, "a printmask defining a print disable zone" has been changed to --a computer readable medium having a printmask defining a print disable zone--.

Claim 6, "a printmode including a printmask defining a print disable zone" has been changed to --a computer readable medium having a printmode including a printmask defining a print disable zone--.

2. The following is an examiner's statement of reasons for allowance:

3. The prior art does not disclose or suggest "an edge guide projecting into a print zone into which at least one of the plurality of nozzles may be transported for deposition of a fluid onto a print media" and "a computer readable medium having a printmask defining a print disable zone including a pre-selected area of the print zone substantially equal to an area of the edge guide that projects into the print zone" in combination with the remaining claim elements as set forth in claim 1 and its dependent claims 2-5.

4. Reasons for allowance of all other claims have previously been presented in prior actions.

Art Unit: 2861

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian Goldberg whose telephone number is 571-272-2728. The examiner can normally be reached on Monday through Friday, 9AM-5PM.
